

Coaching and Instructional Practice Scheduled

Hello Everyone, Hope all is well, and you are ready to crank up the new rodeo year. I want to get the word out to anyone interested in Light Rifle shooting that we will be having Ed Wood from Ohio here in Arkansas on Sept. 26-27, 2020 for some coaching and instructional views to help the Kids out. Ed has worked with states in the past and it shows at Nationals (like Utah). We will also have some Trap shooting coaching as well if anyone is interested. This will NOT count for a registered shooting rodeo. This event will most likely be held at Remington Gun Club in Lonoke Arkansas and is strictly for fun and to help the kids. I will send another email at a later date with more details. If anyone is interested, please give them my contact info. I will be at the Crossett and Hampton rodeos looking for new recruits for shotgun and light rifle. LET'S MAKE SHOOTING GREAT THIS YEAR!!!

Here are the dates for registered shoots this year. we are going to try and add one more shoot this year as a final.

Oct 17th - Remington Gun Club
Dec 5 - Remington Gun Club
March 6 - Remington Gun Club
April 10 - TBD
May 8 Finals - TBD

Hope to see everyone soon!!
